

We are always happy to consider your event for our EVENTS BULLETIN BOARD. Submit your information and jpg graphics to bcacchurches@gmail.com for consideration.

BCAC reserves the right to edit materials to fit our format and reserves the final decision as to whether your submission will appear.

Events should be civic or spiritual in nature, welcoming to all, and of a not for profit nature.

Due to space we cannot publicize regular meetings other than those of our organization. Members of the BCAC will receive first priority in publishing.
